

# Google Classroom Parent Sign Up

Dear Parents,

Your student will be using Google Classroom for his/her English class this year! We will likely be using this program to get assignments at least 2-3 times per week! Every assignment will not be in Google Classroom, but if you would like to join as a family member, it will be a great place for you to keep up with what your student is working on and if they have any assignments that are due or past due (please note you will not be able to access the assignments, but only see that they are posted). Grades for assignments will still be posted in Power School. I will post class notes, announcements and sometimes photos in the online classroom as well. If you would like to join as a parent/guardian, please fill in your email address below and sign this form. Otherwise please check that you would NOT like to participate and sign and return the form with your child as well.

Thank you and I look forward to a great year in English 8!

Sincerely,

Marianne Donaldson
